

## **THE UNIVERSITY RESERVE TRAINING PROGRAMME (URTP): ANNOUNCEMENT ON THE ROLL-OUT OF THE URTP: TSHWANE UNIVERSITY OF TECHNOLOGY (TUT)**

The SA Army, SA Military Health Service and the Logistics Division have announced their intention to recruit registered students from the Tshwane University of Technology. The selected students will receive military training on a part-time basis in accordance with the concept of the URTP.

As at other universities, recruitment will take place in terms of the skills requirement of the abovementioned Services and Division which will include the following fields of study:

- Economics and Finance
- Information and Communication Technology
- Sciences
- Engineering and the Built Environment
- Humanities

Students interested in serving in the following Formations of the SA Army are also invited to attend the recruitment campaign on the campus:

- Artillery
- Air Defence Artillery
- Armour
- Intelligence
- Signals

**An awareness campaign will be launched on the Pretoria campuses of TUT during February and a presentation on the URTP will be made on 07 March 2013 from 12:30 – 13:30 in the FNB Auditorium (Building 6 – 175), Pretoria-West campus.**

The awareness and recruitment campaign is executed in close collaboration with the office of Dr Mandla Msibi, Director Research and Innovation of TUT.
