NATIONAL CIVIC REMEMBRANCE SUNDAY SERVICE AND WREATH LAYING CEREMONY HELD IN JOHANNESBURG ON 10 NOVEMBER 2013.

"We shall remember them - Women in War".

National Civic Remembrance Sunday honours all South Africans who lost their lives in wars and conflicts, including the struggle for freedom and democracy. In supporting the overall message of inclusivity and nation-building, it is important to acknowledge sacrifices made by heroes and heroines drawn from all sections of our people. Each year a different theme is highlighted for the Remembrance Sunday service. The theme for this year is Women in War, giving recognition for the service and dedication rendered by women in times of war. At this year's National Civic Remembrance Sunday event, special tribute will be paid to women for their service and sacrifice in wartime.
