

AN ACHIEVEMENT FOR A URTP MEMBER

Tpr Carl Smit, a B Com Honours student in chartered accountancy at the North West University and a member of the 2013 URTP intake, received good news during the recent university recess period - while busy with the first phase of his basic military training in Potchefstroom.

He received notification from the South African Institute of Chartered Accountants (SAICA) that he was selected to the top 30 list of students to attend the Student Leadership Summit taking place in Johannesburg in August later this year. The Summit is presented by SAICA Professional Development. To be considered for this prestigious award Tpr Smit had to submit an essay on a prescribed subject. SAICA received 157 essay submissions and his essay was adjudicated as one of the top 30.

This achievement is a clear indication that the URTP is succeeding in its objective of recruiting young leaders with professional qualifications to join the SANDF Reserves.
