RESERVE TEAM FOR INTERNATIONAL MILITARY SKILLS COMPETITION BULGARIA

After an intensive and vigorous training and selection phase, seven members of the SANDF Reserves made it to the final team which will be competing in the International Military Skills Competition in Bulgaria.

These members are: Maj Labuschagne 3 Para Bn, Lt Du Toit RPS, Sgt Daniels SAIR, Rfn Mdlalose 3 Para Bn, Rfn Veto First City, Rfn Neethling RMR, Rfn Mogejane RMR.

Capt Le Roux will accompany the team as the coach and Lt Col Van der Westhuijzen as the Team Manager. Lt Col Van der Westhuijzen was also selected by the international committee to act as a member of the Technical Jury during the execution of the competition.

The team will leave for Bulgaria on 30 July 2015 and will again touch South African soil on 10 August 2015.

This will be the first time that some of the team members will be flying on an airplane and visiting a foreign country to compete in an international arena. Quite a feat by itself.

The competition consists of the following events: Crossing of Land and Water obstacles, shooting with the AK 47 and the Makarov pistol, Grenade throwing and a Military Orienteering march.

We wish the team well and know that they will be giving their very best as proud members of the SANDF.
