PARTICIPATION OF THE SOUTH AFRICAN NATIONAL DEFENCE FORCE RESERVE FORCE (SANDF RESF) IN THE 2016 AFRICA AEROSPACE & DEFENCE

The SANDF ResF will again be participating in the action-packed biannual Africa Aerospace & Defence over the period 14 to 16 September 2016, at Air Force Base Waterkloof, Pretoria.

This spectacular show stopping event will display Africa's premier exhibition of air, sea & land technologies. Please note that the show is scheduled for three trade days (14 to 16 Sep 2016) and two public days (17 to 18 Sep 2016).

The Defence Reserves Division will utilise this platform to:

- ❖ Enhance and promote the image of the SANDF,
- ❖ Interact personally with the people of Gauteng, International guests as well as the DOD youth programmes that will be part of the DOD exhibition which will give learners the opportunity to understand the role and function of the Defence Reserves better, and
- ❖ Market the SANDF Reserves to the public and create awareness of the necessity of the Reserve Force System amongst captains of industry.

The SANDF's programme will include indoor and outdoor exhibitions including capability demonstrations. The SANDF Reserves Force team will have an indoor exhibition stand which will be manned by communicators from Reserve Force Units.

You are cordially invited to visit us at the SANDF Reserves Force stands during the period of the show.

Your visit will be highly appreciated.
