SA ARMY COMBAT RIFLE SHOOTING COMPETITION 2016 RESULTS

The 2016 SA Army Combat Rifle Shooting Competition once again proved itself to be a very special event in the SANDF Annual Calendar.

Over 900 Regular and Reserve Force members participated.

But it was again the Reserve Force Units that exposed incredibly musketry skills and the Natal Carbineers proved themselves as outstanding musketeers by winning both the Gold Cup and the White Horse Trophies. The overall standard of musketry showed that continuous training presents satisfactory results.

The visiting International Teams from Belgium and Lesotho challenged the local riflemen and showed very competitive skills. During the prize giving ceremony it was highlighted by Major General Andersen that accurate and well trained musketry remains the decisive factor in a close combat scenario during the land battle. He sincerely expressed his satisfaction of the results and congratulated each and every member for their effort to remain combat ready. The event was well prepared and the level of logistical support was remarkable.

The best overall shot over all competitions was Bdr W.J. de Wet from Vrystaat Artillerie Regiment.

Best team and winner of the Gold and White Horse Cups

1st: Natal Carbineers.

2nd: Vrystaat Artillerie Regiment.

3rd: Regt President Steyn.

Top male shot: Col Seleka RDLR.

Top female shot: Cpl Vita Cape Town Rifles
